

All-Lace Brangian Shawl Progressive Yarn Usage

The following tables may be of assistance if you are unsure if you will have enough yarn. Weigh your yarn before you begin, and weigh the remaining yarn at the end of each section/chart. You can use the '% yarn used' column to record your figures.

Note: The sizing for the All-Lace Brangian differs from the stockinette version slightly because of the point at which the Charts start. The Small size given here is **8 rows shorter** than the small size of the stockinette version. The Small Plus size is 8 rows **longer** than the small size of the stockinette version. The Medium and Large sizes here are each 8 rows **shorter** than the original medium and large sizes.

Small size (5 repeats of Chart 1):

Sections:	Rows Complete:	Percent complete:	% Yarn used:
At end of All-Lace Set-up:	20	1.7%	
At end of 1 st full Chart 1	36	6.0%
